## Livestock

Marion County has not seen an "Open Livestock" fair since 1996 when the Peanut Festival brought to you the last County Wide Agricultural fair. This county is unique in the fact that we have OBS (Ocala Breeders Sales) and the Southeastern Youth Fair. (Youth only)

We want to make the Agricultural experience a great one, so we are going to focus on the educational side with showmanship workshops and Shows. We are looking for volunteers for both teaching and judging.
